Feminine Product Collection Drive HARRISON FAMILY YMCA TOGETHERHOOD® PROJECT

This project is dedicated to collecting and distributing feminine hygiene products to school aged girls in local schools in Nash and Edgecombe counties. Through community conversations, our Togetherhood® Committee has discovered a tremendous need for these products throughout local schools. Additional research shows that nationally there is growing awareness of and demand for solutions to the financial burden of menstruation.

To help address this pressing community need, the Togetherhood® Committee is putting together local collection drives to help collect and distribute feminine hygiene products and coupons. All products collected will be shared with girls in need at local schools.

HOW CAN I HELP? THERE ARE TWO WAYS. PERIOD.

-  **Drop off unopened products and/or coupons at the Collection Box at the Harrison Family YMCA, beginning this July!**
-  **Sign up to host a collection drive at your business or organization. Volunteers needed to maintain other location drives. Sign up at harrisonfamilyY.org!**
